2020 PHOTO COMPETITION

The winners of the 2020 Calendar Photo Competition are featured on the front and back cover, as well as in the monthly pages of the calendar. The theme of the competition was “Wildlife in Franklin Lakes,” and all of the beautiful photos were taken by local photographers of the wildlife in Franklin Lakes. The calendar portrays a diverse number of local wildlife species in their natural habitats found throughout our lovely Borough.

FRANKLIN LAKES WILDLIFE

One of the benefits of residing in Franklin Lakes is its natural beauty, with lakes, streams, hills and vast open parkland. With this connection to nature, living in Franklin Lakes also means co-existing with wild animals, from deer and bear, to beavers and coyotes. Most wildlife does not want to encounter humans. Remember to enjoy viewing wildlife from a distance.

How to Keep You and Your Property Wildlife Safe!

- Never leave small children or small pets outside unattended.
- Keep your property well-lit to discourage wildlife.
- Keep shrubs and bushes trimmed about two feet above the ground to prevent hiding places for wildlife.
- Keep your property clean of refuse or piled limbs.
- Use garbage receptacles that seal tightly and store in a garage or shed.
- Do not encourage wildlife by feeding or leaving food for them.
- Do not allow bird food to accumulate on the ground.
- Don’t place food scraps directly into your garden. Use a closed compost bin.
- Keep pet food and water containers indoors, especially at night.
- Consider purchasing an air horn can and keeping it where you can easily reach it when you head outdoors with small children or pets.

What to Do if You Encounter Wildlife

- Remain calm.
- Make sure the wildlife has an escape route.
- Make yourself look big by waving your arms.
- Make noises; use whistle, air horn or yell.
- Do not make eye contact with a wild animal.
- Do not run or turn your back to the animal. Back away slowly.
- Move to a secure location if the animal does not leave.

REPORT NON-EMERGENCY ANIMAL SIGHTINGS
To the Franklin Lakes Police Department at 201-891-3131

Non-emergency animal sightings include a wild animal that seems sick, aggressive or is otherwise acting unusual. The Police Department’s protocol is to dispatch officers to each report of a bear sighting, assess the situation, and then take the level of action that is most appropriate to the existing circumstances.

EMERGENCY - Call 911

Notify State Officials - Residents are also encouraged to report bear sightings to the State so they are aware of the frequency of black bear activity within the Borough.

NJDEP’s 24 hour Hotline at 877-WARN DEP (1-877-927-6337)
New Jersey Division of Fish and Wildlife at 609-292-2965
